3.2.2 No interest will be payable to contractor on EMD or Security deposits by the KSCSTE.

3.3 <u>Tender rates and validity</u>

3.3.1 Tender should quote both in figure as well as in words the rates and amount tendered by him for each item in such a way that interpolation is not possible. All corrections and alterations in the entries of tender papers will be signed in full by the tenderer with the date. In case of conflict, between words and figure, the lower amount will only be considered as correct.

3.3.2 Tenders submitted by tendered shall remain valid for acceptance for a period of 45 days from the date of opening of the tender. The tender shall not be entitled, during the said period, of 45 days without the consent in writing of the Controller of Administration, to revoke or cancel his tender or to vary the tender given or any term thereof.

3.3.3 <u>Price Escalation</u>

The rates quoted shall be deemed to be free from escalation of any kind. The KSCSTE shall not accept for any reason, whatsoever, price and tax escalations or any other item in respect of any material and or any category of labour during the whole period of operation of contract. The rates accepted by the contract agreement shall not be changed for any reason.

3.3.4 The tender should submit a statement along with his tender giving details of the tenderers previous experience of similar works of comparable nature, also the type and size of the organization owned by him.

3.3.5 The Controller of Administration does not bind himself to accept the lowest tender and reserves to himself the right to reject any or all the tenders received without assigning any reason whatsoever Controller of Administration also retains the right to negotiate with any one or all the tenderers after opening of the tender and any of the terms or clauses of the tender. The work may be split up and awarded in part, if considered expedient.

3.3.6 The rate quoted by the tenderer shall include all cost of labour, materials supervision thereof, hire for all tools and implements, all related electrical works, incidental charges, and cover the insurance, taxes, duties, delivery, loading and uploading at site etc.

Contractor

3.3.7 The work should confirm to general standards. The selection of materials also will be general standards.

3.3.8 The work site should always be kept clean of unwanted materials, rubbish etc. And all necessary safety precautions should be taken by the contractor as per safety rules.

3.3.9 Tenders which are incomplete in any respect shall be rejected.

3.4 Terms of payment, completion time and penalty guarantee

3.4.1 The payment shall be made as under:
Full payment of the completed works will be paid immediately after satisfactory supply of furniture and getting necessary certification from the Head, ISD, KSCSTE

3.4.2 The contractor shall guarantee that all furniture supplied shall be free from any defect and the equipment shall operate satisfactory and that the performance and efficiency of the equipment shall not be less than the guaranteed values. The guarantee shall be valid for a period of one years from the date of satisfactory reliability and performance tests. Any part found defective during the guarantee period shall be replaced by the contractor free of cost to the KSCSTE. The prompt service of the contractor such works shall be made available free of cost to the Controller of Administration.

3.4.3 Inspection

Controller of Administration's authorized representative shall have all powers to inspect the materials and workmanship at the contractor's work of any other place.

3.4.4 Rejection of defective equipment and materials

If any portion of material thereof before it is taken over found defective or fails to fulfill the extend of the requirement, the contractor shall on receipt of a written notice from the Controller of Administration forthwith to replace the defective materials within a stipulated period mentioned in the written notice or replace the equipments at no extra cost to KSCSTE. Any damage caused during the transit shall be made good by the contractor without any extra charges to the KSCSTE.

3.4.5 Bye – Laws

The contractor shall comply with Bye- Laws and regulations of local and statutory authorities having jurisdiction over the work and shall be responsible for payment of all necessary notices and keep the Controller of Administration informed of the said compliance with Bye- Laws, payment made, notices issued and received.

3.4.6 Completion time

The work covered by the contract shall be commenced and executed in accordance with the schedule within Two week from the date of award of work.

Contractor

3.4.7 Extension of Time

If the contractor shall desire extension of the time for completion of the work on the grounds of his having been unavoidably hindered in its execution or on any other grounds, he shall apply in writing to the Controller of Administration who reserves the right to decide on the matter.

3.4.8 Cancellation of contract and alternative arrangement for effecting the supply/ executing the work.

In case of the failure of the contractor to keep up to the executing and delivery schedules and if in spite of a written notice given to him by the Controller of administration he fails to improve his rate performance of work within reasonable period there after (two week) the Controller of Administration can terminate the contract immediately without any legal notice and thereafter the Controller of Administration shall have every right to get work completed through other agency/ agencies at the risk and cost of the contractor. Further any loss or extra cost in this regard will be deducted from the amount due to the contractor.

3.4.9 Arbitration

Arbitration shall not be a means of settlement or disputes or claims arising out of this contract relating to the work. In case of any dispute or difference between the parties of the contract, either during or after the completion of the contract, or as to the interpretation of the provisions of the contract or as to any matter of thing arising there under except as to any matter left to the discretion of the KSCSTE under the clauses of the contract, such dispute or difference shall be referred to the Civil Courts of Thiruvananthapuram and the jurisdiction of such matter will be confirmed to courts Thiruvananthapuram only.

3.5 <u>Extra items and additions</u>

3.5.1 Power to make alternations:

The Controller Administration shall have the power to make in writing any alternations, omissions, additions or substitutions for original specifications, drawings, designs, patterns and instructions that may appear to him, necessary or advisable during the progress of the work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him by the Controller of Administration or his representative. Such omissions, additions alterations or substitutions shall not invalidate the contract. Any altered, additional or substituted work, which the contractor may be directed to do in the manner specified above as part of the work shall be carried out by the contractor on the same conditions in all respect on which the main work was agreed to be done, and the rates according to clause 3.5.3. Addition to existing items and quantities will not constitute an extra item. The agreed rates for all item shall remain unchanged till the completion of the contract.

3.5.2 No alternations, omissions, amendments, additions, substitutions or deviations of the work under the contract as shown by the contract, drawings of the specifications shall be made by the contract except as directed in writing by the Controller of Administrations.

3.5.3 Rates for additional items

a) The rates for such additional, altered or substituted work if directly available in the contract for the work, the contractor shall be bound to carry out the work at the same rate as are available in the contract for the work.

b) If the rates for the additional, altered or substituted work are not directly available in the contract for the work, the rates for a similar class of work as specified in the contract shall be worked out and agreed mutually.

c) In the absence of any agreed rate or similar item in the contract, the rate for the extra item of work shall be mutually agreed based in the evaluation of cost and other charges, if ascertained from the market and other agencies.

4 Particular Specifications:

4.1 (i) Scope of work:
