

Obama – Singh 21st Century Knowledge Initiative

We are pleased to announce an open competition for the support of projects through the Obama – Singh 21st Century Knowledge Initiative (OSI). Announced by the U.S. and Indian governments, OSI aims to strengthen collaboration and build partnerships between American and Indian institutions of higher education.

Proposals in the following fields are eligible: Energy, Climate Change & Environmental Studies; Education & Educational Reform; Public Health; Sustainable Development & Community Development; and International Relations & Strategic Studies.

For more details, please visit: <http://www.usief.org.in/Institutional-Collaboration/Obama-Singh-21st-Century-Knowledge-Initiative-Awards.aspx>

The application deadline for U.S. - led partnerships is **November 3, 2014**.
