

KSCSTE- PAIR project received CSIR TECHNOLOGY AWARD 2020 under *Innovation category*

KSCSTE is happy to inform that the project supported under the Partnering Academic Industrial Research (PAIR) scheme of KSCSTE was awarded the CSIR TECHNOLOGY AWARD 2020 under the *Innovation category*. The project was on developing low cost handheld Raman spectrometer for automated analytical and diagnostic applications. The project was supported under the PAIR scheme jointly by KSCSTE, M/s.VINVISH TECHNOLOGIES (P) Ltd, Thiruvananthapuram and CSIR- NIIST, Thiruvananthapuram.

At this juncture, KSCSTE wholeheartedly congratulate **Ms. Neethu Emmanuel**, Research fellow, **Dr.Yoosaf Karuvath**, Senior Scientist and **Dr.Narayanan Unni K N**, Senior Principal Scientist & Head, Photosciences, CSIR- NIIST, Thiruvananthapuram for this remarkable achievement. KSCSTE also extends gratitude to M/s. Vinvish Technologies (P) Ltd, Thiruvananthapuram for extending support to the programme.
