

NATIONAL WORKSHOP on

Technology Translation & Commercialisation

in connection with

NATIONAL TECHNOLOGY DAY 2023 *celebrations*

Jointly organized by

Kerala State Council for Science, Technology, and Environment (KSCSTE)

& Indian Institute of Space Science and Technology (IIST)

11th and 12th May, 2023

**Indian Institute of Space Science & Technology,
Thiruvananthapuram**

About the event:

National Technology Day is celebrated every year across India on 11th May. KSCSTE jointly with IIST is organizing a technology transfer & commercialisation workshop in connection with National Technology Day 2023 Celebrations. The primary aim of the workshop is to provide basic knowledge and skills on how to plan and execute an academic project for commercialisation. The sessions of the workshop will be led by nationally acclaimed experts. Students and faculty who are involved in executing projects for technology transfer/commercialisation can make use of the workshop. The applicants must have at least one externally/industry supported project to their credit OR should be a KSCSTE TECHFEST Award winner.

Registration :

There is no registration fee. However, prior registration is mandatory. Interested candidates may kindly register through <https://forms.gle/gUzMvNXqb9jAqAu98> on or before May 4, 2023.

Who Can attend : Faculty members, Research Scholars, Scientists/ Engineers and Engineering Students. Number of seats are limited and will be filled up first come first served basis.

Event Components :

- **Interactive sessions on entrepreneurship, technology transfer**
- **Hands-on group activity on Idea to product realization for commercialization/technology transfer**
- **IIST labs visit.**
