

**Kerala State Council for Science, Technology and Environment Sasthrabhavan,  
Pattom, Thiruvananthapuram**

**No. KSCSTE/95/2025-C1**

**21-02-2025**

**Applications are invited for the post of Director, National Transportation Planning  
and Research Centre (KSCSTE-NATPAC)**

*(Open to Indian Citizens)*

The Kerala State Council for Science, Technology and Environment (KSCSTE) was constituted in November 2002 as an autonomous body under Government of Kerala to promote excellence in science, technology and development with the involvement of academia, industry and research organizations. There are several R & D institutions under the ambit of KSCSTE. In order to keep the R&D institutions in the forefront of their respective expertise and innovations, we are looking for dynamic, result-oriented, top-notch scientist with relevant academic/management experience to be appointed as Director. The Director is the Chief Executive of the Institute and is responsible for the management, administration and development of prospective plan for the institution by providing effective leadership. He/She is expected to lead the institution at an international level and should be able to visualize the problems in the respective fields in a global scenario and identify local solutions. The tenure of appointment will be for a period of five years. Applications are invited from eligible candidates for the position of Director, KSCSTE-NATPAC.

**Qualifications :** First class Master's Degree in Engineering /Technology and PhD in Engineering in any branch of Transportation Engineering.

**Experience :** 15 years in a research/academic/R&D institution or organization, of which 10 years should be at a senior level provided that 5 years shall be in the grade of Senior Principal Scientist (L13A as per 7th CPC) or shall be presently holding the grade of Chief Scientist (L14 as per 7th CPC). Equivalent positions/grades in academic institutions/industry will also be considered. Experience should relate to transportation

planning and management, highway engineering water/urban transportation etc. Managerial experience in institutional development and PhD guidance, strong national and international research collaboration record, Scientific/technical publications in indexed journals, patents etc. would be desirable.

**Age:** Below 55 years as on the date of notification.

**Pay Band :** L14 as per 7th CPC

**Application Procedure :** Applications in the prescribed format along with scanned copies of certificates (in single file) should reach the Member Secretary, KSCSTE on or before **24.04.2025, 5.00 p.m.** Applications will be received only through email (mskscste@gmail.com) in the prescribed format given in the website [www.kscste.kerala.gov.in](http://www.kscste.kerala.gov.in)

**NOTE:** Applicants currently working in government organisations should submit the application through proper channel. The eligible candidates currently working in Government Organisations will be considered for appointment on deputation basis also. In the cases of exceptionally good candidates with proven track record, search-cum- selection committee may relax the requirement of qualification/experience. The Executive Vice President, KSCSTE reserves the right to fill or not to fill the position without assigning any reason.
