

Environmental Information, Awareness, Capacity Building and
Livelihood Programme (EIACP) and Kerala Biotechnology Commission (KBC), KSCSTE

Jointly Organize

WORLD SNAKE DAY

2026

A Biotechnology and Conservation-Driven
One Health Mission Towards a
Snakebite Death-Free Future

 **16 JULY 2026** |  **10.00 AM – 12.30 PM**

 **M.S. Swaminathan Hall,
KSCSTE Headquarters,
Sasthra Bhavan, Pattom,
Thiruvananthapuram**

**Zero
Snakebite
Deaths
Kerala**

CONSERVE SNAKES

Protect
biodiversity

PREVENT SNAKEBITES

Awareness,
early treatment,
timely care

BIOTECHNOLOGY FOR SOLUTIONS

Antivenom research,
diagnostics,
innovation

ONE HEALTH APPROACH

People, animals,
environment
in harmony

PARTICIPATION

Open to UG/PG students in
Zoology, Environmental science,
Biotechnology and
allied subjects.

KEY HIGHLIGHTS

-  **Inaugural Session**
-  **Technical Session I**
*Conserving Kerala's Snakes:
Biodiversity, Habitats, and Human Coexistence*
-  **Technical Session II**
*Biotechnology and One Health Approaches
Towards a Snakebite Death-Free Future*
-  **Open Discussion**
*Beyond Antivenom: A One Health Approach
to Snakebite Prevention and Care*

Jointly Organize

WORLD 2026 SNAKE DAY

Zero Snakebite Deaths Kerala:

A Biotechnology and Conservation-Driven One Health Mission
Towards a Snakebite Death-Free Future

16 JULY 2026

10.00 AM – 12.30 PM

M.S. Swaminathan Hall, KSCSTE Headquarters,
Sasthra Bhavan, Pattom, Thiruvananthapuram

PROGRAMME SCHEDULE

TIME	PROGRAMME	DETAILS
10.00 – 10.05 AM	Welcome Address	Dr. Sarika A. R., Principal Scientist, Kerala Biotechnology Commission, KSCSTE
10.05 – 10.15 AM	Presidential Address	Dr. P. Harinarayanan, Member Secretary, KSCSTE
10.15 – 10.25 AM	Inaugural Address	Dr. Saji Gopinath, Executive Vice-President, KSCSTE
10.25 – 11.10 AM	Technical Session I <i>Conserving Kerala's Snakes: Biodiversity, Habitats, and Human Coexistence</i>	 Speaker: Smt. Deepthi Mohan, Beat Forest Officer, Rapid Response Team, Palode
11.10 – 11.25 AM	Tea Break	—
11.25 – 12.10 PM	Technical Session II <i>Biotechnology and One Health Approaches Towards a Snakebite Death-Free Future</i>	 Speaker: Dr. R. Dileep Kumar, Snakebite Management Researcher and Serial Entrepreneur, Biotechnology Sector
12.10 – 12.25 PM	Open Discussion <i>Beyond Antivenom: A One Health Approach to Snakebite Prevention and Care</i>	Moderator: Er. Arjun Prasad, Senior Scientist, KSCSTE
12.25 – 12.30 PM	Vote of Thanks	Dr. Sherin B. M., Senior Scientist, KSCSTE

Let's work together for a
SNAKEBITE DEATH-FREE KERALA
People • Snakes • Nature in Balance
