11. If for any reason, it is found that the recipient has not utilized the grant for the purpose for which it was sanctioned, he/she shall be disqualified for getting any further grants and steps shall be taken against such person/persons for realising the amount of grant. In all cases, the final expenditure statement as well as utilization certificate counter signed by HOI shall be insisted to be submitted within three months of completion of the project. On completion of the project 5 copies of the Final Technical Report on the work done in the project should be sent to the Council.

12. The institute will maintain separate audited accounts for the project. If it is found expedient to keep a part or whole of the grant in a bank account earning interest, the interest thus earned should be reflected in the Utilization Certificate. The interest thus earned will be adjusted towards further instalment of grant. In the case of Govt. Institutions/ Universities, the interest accrued can be waived.

13. The institute will not entrust the implementation of the work for which the grant is being sanctioned to another institution nor will it divert the grant receipts to other institute as assistance. In case the Institute is not in a position to implement or complete the project, it should, forthwith, refund to the Council the entire grant received by it or the balance grant with it.

14. All the personnel including Research personnel appointed under the project, for the full/part duration of the project, are to be treated as temporary employees and will be governed by the Administrative rules/ service conditions (for leave, TA/DA etc) of the implementing Institute. They are not to be treated as employees of the KSCSTE and the Council will have no liability, whatsoever, for the project staff after completion of the project duration.

15. For the expeditious implementation of the research project, the PI will take the assistance of the Institute in the process of selection and appointment of staff and payment to them. Scale and emoluments for the posts not covered under Council's order are governed by norms prevalent in the implementing Institution or as may be decided in consultation with Council.

16. The Council reserves the right to terminate the project at any stage if it is convinced that the grant has not been properly utilised or appropriate progress is not being made. The PI is liable to refund the grant amount in part or in full in case of unsatisfactory implementation of the project or unwillingness to co-operate with the Council for monitoring/evaluating the progress of the project.

17. The project becomes operative with effect from the date of receipt of Council order or the date on which the Draft/ Cheque is received by the implementing Institution. This date should be intimated by the Institution authorities/ Principal Investigator to this Department. It will, in no case be later than one month after the receipt of the draft/ cheque by the Institute.

18. If the PI to whom a grant for a project has been sanctioned wishes to leave the Institution where the project is based, the Institute/ PI will inform the same to the Council and in consultation with Council, evolve steps to ensure successful completion of the project, before relieving the PI.

19. No premature closing is allowed except those wherein the RAC has recommended closing of the project due to poor progress/non-compliance of the terms of implementation. There should be an institutional mechanism to ensure successful completion of the project by the

transfer of the project to the next eligible person, if available or to return the funds received till date to the Council.

20. Investigators wishing to publish technical/ scientific papers based on the research work done under the project, should acknowledge the assistance received from Council, indicating the scheme.

21. If the results of research are to be legally protected, the results should not be published without action being taken to secure legal protection for the research results. Patents shall be filed only with the concurrence of KSCSTE.

22. The Executive Committee/Research Council may enforce additional guidelines for the operation of the scheme from time to time and the Institution/Investigators are required to observe such directions in the conduct of the research work.

23. The knowledge generated from the project will be the property of KSCSTE and should be properly acknowledged. Transfer of technology generated shall be done in consultation with the Council.

24. Projects not operational for more than one year may be treated as closed and the PI should be asked to submit detailed progress report and financial statements and return any unspent money.

We agree to the terms and conditions stated above.
